

## Says

- Fire incidents are avoidable
- Kids need to know what to do in the case of a fire incident
- Main Causes for fire: Careless smoking, cooking, and kids playing with lighters and match sticks.

## Thinks

- Current phone system doesn't work
- I wish there was a better way to communicate learning to parents from kids.

Candace

## Does

- We educate kids at school on different escape plans.
- “Learn Not To Burn” activity guide

## Feels

- Frustration that the current teaching system is not effective.
- Hope for success about new project
- Anxiety about success of new project
