

To practice, must make profile first

Once profile is made.

Press to begin practice

Voice prompts the question: What number to call in emergencies?

If right
If voice says this

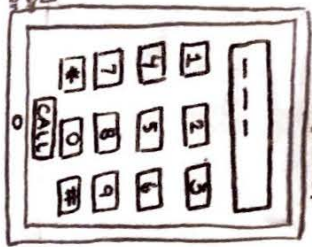

Voice says: Good Job Name!

Voice says: 911 what's your emergency?

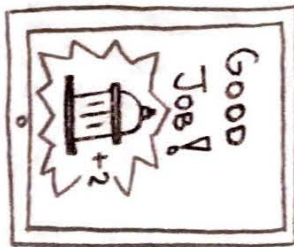

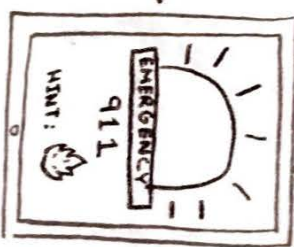

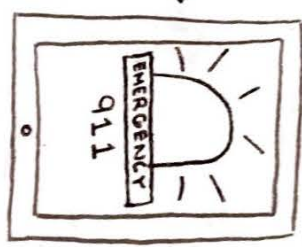

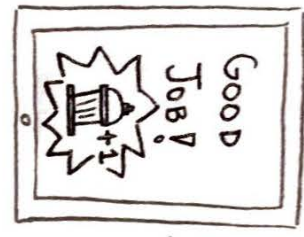

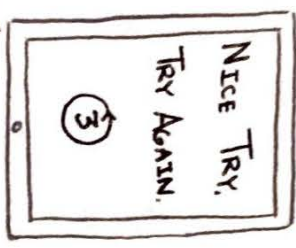

AFTER 5 secs, hint pops up! After another 3 secs: 911 what's your emergency? (E888)

If user responds correctly (by voice) then voice says:

If 911 entered correctly, call button turns green to press.

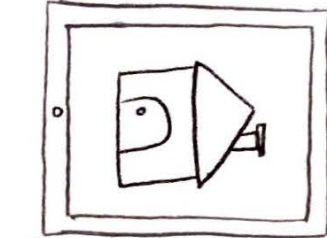

Go's back

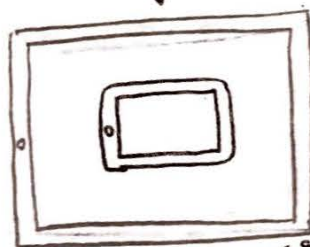

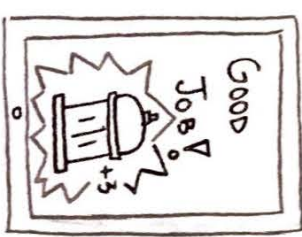

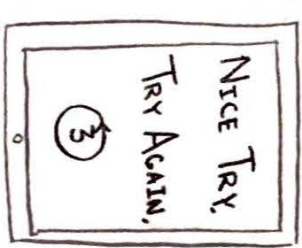

Voice says: What's your address?

If answer doesn't match profile

If answer matches profile
